Schedule of Events

- January 4, 2007—Staff Training Day**—All staff of Person Industries will participate in this day long training session that will cover the areas of back safety, fire suppression, safe driving and client rights. These sessions will be videotaped by the Person County IT Department for future use. Please see a complete schedule of the day's agenda to the right.

Due to the training day, PI will be closed to all employees with the exception of those in the production department who are specifically asked to work.
- January 21, 2008—Martin Luther King Day**—PI will be closed for the holiday for all staff and employees with the exception of those in the Production Department who are specifically asked to work.
- January 28, 2008—Person Industries Day**—In January of 2005, Person Industries celebrated 20 years of serving the citizens of Person County. To acknowledge our efforts and success, the City of Roxboro and the County of Person named January 28, 2005 Person Industries Day. Each year we commemorate that day by renewing our commitment to the PI mission.
